LONDON TECH WEEK 2026

Representing Velox Solutions at India Tech Week 2026 alongside our Hon. MD, Dr. Mangesh Amale, was a valuable opportunity to engage with global technology leaders and strengthen our vision for international growth and collaboration.

VELOX RECEIVED “AI-DRIVEN CYBER SECURITY INNOVATION AWARD”

Velox is honored to receive the **AI-Driven Cyber Security Innovation Award**, recognizing our commitment to intelligent, AI-powered cybersecurity innovation.

From the Desk of the Director, Tejaswi Amale

The dedication, passion, and collective efforts of Veloxians drive every milestone we achieve. As we expand our global presence, each employee plays a vital role in our success.

Together, We grow. We innovate.

One Vision. One Team. One Global Impact. One Velox.

10X Global Expansion Vision in Everyday Culture

Our 10X Global Expansion Vision is not just a strategic goal, it is reflected in our daily actions and mindset. Across teams, we are fostering a culture of innovation, agility, and collaboration that empowers us to think big, seize new opportunities, and contribute towards Velox's continued growth in international markets.
